@Baeryn Kid is great. 1st birthday
was Sunday. He now has plenty of
new things to play with, but none
are internet spaceships.

@TiberiusMurderh I hate to say that I
may have given up podcasting.
Although don't rule out a WTFFTW
special maybe 3-4 times a year

*Choose your enemies Carefully, Cause They Will define you, Make them interesting because in someways they
will mind you*

They're not there in the beginning, but when the story Ends, They're gonna last longer than your friends
